

## SUPPORTING SKILLS AUDITS IN ADULT EDUCATION

### NEWSLETTER 1 – PROJECT ASSESS PLUS

#### Main objectives of the project:

- Skills Audits in adult education through innovative digital tools and products to make available skills identification and screening, including the validation of skills acquired through informal and non-formal learning, and facilitate the progress of low-skilled and disadvantaged adults towards higher qualifications.
- To do so, seven European adult education providers, experts in skills assessment and validation and in digital solutions applied to training and employment from six countries, France, Spain, Austria, Ireland, Bulgaria and Greece, will work together to co-create a set of innovative tools and digital solutions.
