

SUPPORTING SKILLS AUDITS IN ADULT EDUCATION

NEWSLETTER 4 – PROJECT ASSESS PLUS

Some news about the project: the transnational meeting of 23 and 24 September 2021 in Paris, with the return of a "mixed" meeting both face-to-face and online:

- The 3rd meeting of the ASSESS PLUS project was able to be held partly face-to-face for the 1st time for more than a year.
- Even if not all partners participated face-to-face due to the persistence of constraints related to the pandemic (health situation, pace of vaccination, administrative or logistical difficulties...), all partners appreciated this return to quasi-normal to give link and humanity to the Project partnership.
- This meeting made it possible to collaborate and engage the continuation of the intellectual productions and all the activities of the Project.
- The commitment of the partnership is particularly good.

A year 2021 of continuation of the Project:
