

# SUPPORTING SKILLS AUDITS IN ADULT EDUCATION

## NEWSLETTER 7 – FINAL CONFERENCE

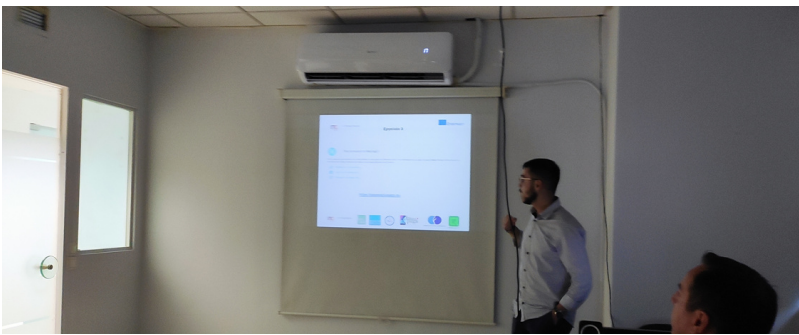

On the 14th of June 2022, the Final Conference of the ASSESS PLUS project was held at IASIS Day Center, in the heart of Athens.

The partnership shared their experiences and lessons learned acquired over the course of the project's three years while they had the opportunity for European networking as the representatives of the organizations from the partner countries did also attend and mingled with the Greek stakeholders.

The European Framework of Competencies in Skills Audits (IO1), the ASSESS PLUS Virtual Campus (IO2), the ASSESS PLUS Web App (IO3), and the Guidelines to promote transparency (IO4) were shared among the stakeholders who participated in the event.

The Final Conference was a success in terms of spreading the results, including more organizations in the use of the intellectual outputs, gathering feedback on the designed deliverables, and exploring partnership opportunities.
